
Making fantasy game?

Posted by jurzaxp - 2008/10/21 00:37

I'm making a fantasy game :D and after googled awhile I found some really cool model resource places (I bought some models here and there too they're all very nice) and wanna share them with you. Well, here they're:

<http://www.arteria-gaming.com/>

<http://www.arteria-gaming.com/medcity/medcity1.jpg>

They have a lot of fantasy buildings I like it.

<http://3dbud.com/buy.htm>

<http://3dbud.com/img/0002/04.jpg>

Cool characters and monsters and nice prices. :)

And they have free sea scene maker, pretty good: <http://3dbud.com/stuff.htm>

<http://www.dexsoft-games.com/3dmodels.html>

They have house models and weapons!
